He has been a loyal friend to every student, and as our Agriculture teacher he has labored diligently for the good of our school. His interest, enthusiasm, courage, and determination have made North Brook a better school. Therefore we the Senior Class of 1956 dedicate the Seventeenth Volume of Le Souvenir to Mr. Max Shidal.

Principal's Message

I am happy for this opportunity to extend greetings to the Class of 1956. I congratulate you who have achieved your goal.

We feel confident that each one of you will be an asset to the community in which you live and a source of great pride to the school in pointing to you as one of our graduates.

May God prosper you in all your endeavors and strengthen you in perseverance.

Class History

This story of a journey began in the summer of 1952. We travelers, fifty-two in number, started this journey to graduation with a gleam in our eyes and faith in our hearts. At that time we didn't think of the hard work we had to accomplish before we received our reward, a Diploma. Each and every traveler had the grit and determination to travel that road even though some fell by the wayside.

The first mile of the journey began as we entered our freshman year. It was hard at first, but soon everyone fell in step and was well on his way. On the road, we met a new traveler, Evon Queen, Jr., who soon fell into the stride with us.

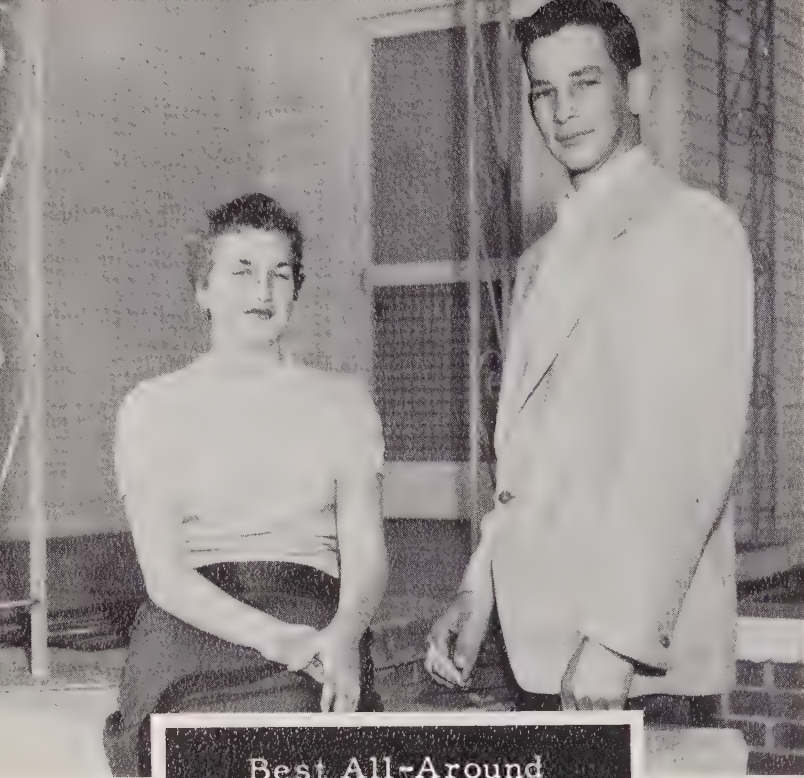

The second mile, being our sophomore year, was highlighted because we knew we were really advancing. As we crossed the second mile some could not keep the pace and went astray.

At the beginning of our junior year we continued the journey with more strength and vigor than ever before, because we knew the goal was just around the curve. We decided that by electing guides for our caravan, we could make greater progress. The guides chosen were, Evon Queen, Jr., President; Evelyn Brackett, Vice President; Lynda Bess, Secretary; Sue Stines, Treasurer. Under the able supervision of Mrs. Donald Guess, we presented a Junior Play and conducted drives, including the selling of Stanley Products, Pennants, and sponsoring a movie. With the hard earned money, we entertained the Seniors of '55 at a formal banquet in the Cafeteria of North Brook High School. During the three years' journey quite a few fell by the wayside, which left us only 23 at the end of our Junior year.

We began the last lap of our journey in the fall of 1955, which was to be a very eventful year for us. With the end in view we strived much harder, knowing that this was our last chance. Our leaders chosen were Evon Queen, Jr., President; Kay Baxter, Vice President; Guynell Parker, Secretary; Betty Bumgarner, Treasurer. During that year we successfully published the Seventeenth Volume of the school annual, *Le Souvenir*, and the *Babbling Brook*, our school paper. Some of our fellow travelers were crowned as Queens of 1956. Miss Betty Bumgarner was crowned as Miss North Brook; Miss Guynell Parker and Mr. Carrol Miller were crowned as Mr. and Miss Senior; and Miss Lynda Bess was elected Miss Hi Miss.

We are now at the end of the trail, and soon the long hard struggle will be forgotten. Our pleasures, and achievements will long be remembered. And as we go to face the future, our hearts are filled with gratitude to our parents, teachers, and friends, whose guidance and encouragement have made this achievement possible.
